

When Disaster Strikes: Actions to Take Within 1 Week

Community Futures British Columbia

| Rural Resiliency Initiative

| communityfutures.ca

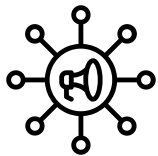

Collect Economic Impact Data From Businesses

- Conduct detailed Impact Assessment of Businesses. RRI templates available.
- Schedule 1-on-1 premises visits or virtual meetings.
- Record a detailed scope of physical and economic damages.

Connect Businesses to Local, Provincial and Federal Resources + Financial Assistance Programs

- Share eligibility requirements and provide application guidance.

Refine Communication Channels

- Establish a reliable channel, e.g. phone, email, social media.
- Create a centralized information hub or website for updates and resources.
- Direct businesses to trusted sources for updates, resources and support
