

Restarting Your Office After Experiencing a Disaster

Community Futures British Columbia

| Rural Resiliency Initiative

| communityfutures.ca

Returning to Normal Operations

- Contact the EQRRT to receive remote support, resources and guidance
- Assess and document damages
- Contact your insurer
- Contact utility providers to restore services
- Manage finances
- Review your team's responses to the disaster: Identify lessons learned, gaps, and best practices for future preparedness
- Update your Continuity Plan
