

How the EQRRT Can Help Your CF

Community Futures British Columbia

Rural Resiliency Initiative

communityfutures.ca

Your CF can request the supports of the EQRRT at any time, at no cost to your CF, regardless of whether or not an Emergency Operations Centre has been activated in your community. The EQRRT is available during any stage of the emergency management cycle: before, during and after.

Funding

The EQRRT cannot provide funding to CFs at this time. Reach out to learn about potential options to source alternate funding.

Training & Capacity-Building

Guidance and support available by request on topics such as:

- Supporting businesses before, during, after an emergency
- Templates to gather and share economic impact data
- Learning about and accessing emergency supports
- Communication strategies for emergencies
- Integrating your CF into your local emergency management framework

On-The-Ground Deployment of the EQRRT to your CF

If your CF would like additional support, contact the EQRRT.
